welcome to solution fires

Welcome to **solution fires**, a new generation of highly efficient, authentic and stylish electric fires. The focus of your living space, these fires have been designed and manufactured with optimal controllability of heat, light and sound as the critical elements. Controllable from your handset, via Alexa or through the app on your smart phone or watch, you can customise your fireplace to suit your individual taste. No electric fire, currently on the market, has the level of product features or attention to detail that solution fires have as standard, supported by a high level of genuine customer service. For more information about our products, please visit our website www.solutionfires.co.uk.

SLE 100	Pages 12-13	
SLE 125	Pages 14-15	
SLE 150	Pages 16-17	These ultra realistic flame effect fires can be fitted as corner, front facing or panoramic appliances. They feature itronic effect technology and come with high quality, hand crafted ceramic log effect fuel beds as standard.
SLE 200	Pages 18-19	
SLE 75	Pages 20-21	
Brandon Suite	Pages 24-28	
Tamarin Suite	Page 29	Compact & elegant panoramic fire featuring our etronic flame effect.
SLE 125t	Page 30	This sleek and stylish double sided tunnel fire features our etronic flame effect.
SLE 42S	Page 31	Luxury cylindrical electric stove with etronic 3D flame effect.
SLE 40i	Pages 32-35	Inset etronic 3D fire with a choice of fireframes, trims and frets.

20 reasons to choose a solution luxury fire

1. Ultra realistic, contoured flame effect technology

2. 'One box solution' for front, corner or panoramic views

3. Six preset illumination settings & one custom setting

4. Nine independent flame colours with adjustable brightness

5. Nine independent fuel bed colours with adjustable brightness

6. Nine independent downlight colours with pulse effect

7. Choice of two hand decorated ceramic log fuel beds

8. Customisable fuel bed set-up

9. Crackling fire audio with volume control

10. Fade in - ON, Fade out - OFF, flame effect feature

11. Supplied with hand held remote control as standard

12. App control for most smart phones, tablets & watches

13. Alexa voice control

14. Optional Scene lighting LED kit available

15. Optional Anti Reflective Glass available

16. Thermostatically controlled with ultra quiet fan heater

17. Seven day, twice daily, program settings

18. Fully ErP compliant & low energy LED flame effect

19. Plugs into a standard 13 amp 3 pin socket

20. Optional 5 year warranty for added peace of mind

The above applies to the SLE75, 100, 125, 150 & 200 fires

standard control

All solution fires are supplied with a **hand held remote control as standard**. This handset allows you to control a whole range of audio and visual features specific to individual models.

the solution app

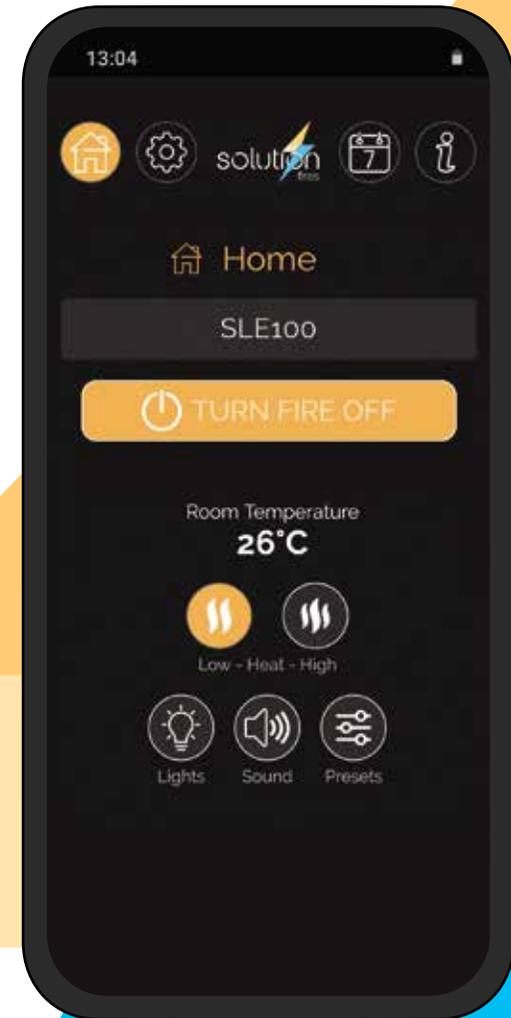

By downloading this industry leading app on Android and IOS smart phones and tablets you will be able to;

.....
Control a whole range of audio and visual features specific to individual models.
.....

Control the fire even if you're away from home
.....

Control your fire via smart watches & Alexa
.....

Set 7 day programmer
.....

Note: Solution App is only available for the SLE75, SLE100, SLE125, SLE150 and SLE200 fires.

setting the ambient mood

The visually stunning LED **itronic** technology not only provides one of the most realistic flame effects on the market but also gives you, the owner, incredible versatility. You can utilise the six preset options as illustrated below or customise the fire to suit your individual taste.

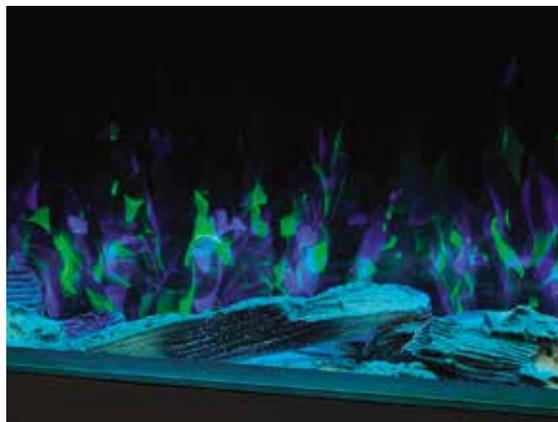

BLAZE

scene lighting

We have introduced our popular scene lighting feature to the solution fires range. Powered directly from the fire and independently controlled via the remote control and solution app - its an easy and efficient way to add another visual dimension to your your suite, media wall or bespoke installation.

Note: Suitable for SLE75, SLE100, SLE125, SLE150 & SLE 200 fires.

front, corner or panoramic options

Our clever 'one box solution' makes ordering your fire so simple. The SLE75, 100, 125, 150 and 200 fires can be installed as either front facing, corner (left or right) or panoramic appliances. All options feature our visually stunning **itronic** flame effect technology.

solution electric suites

Solution fires can offer an impressive range of luxury wall mounted and floor standing suites. Designed to compliment the SLE 75, 100, 125 & 150 electric fires, these modular suites are highly versatile fitting simply to a flat wall. Create your own perfect setting by mixing and matching different design elements and finishes.

completely tailored service

MADE TO MEASURE

All of our suites can be tailor made to your size requirements and made to fit all solution fire cassettes.

TV CUT OUT

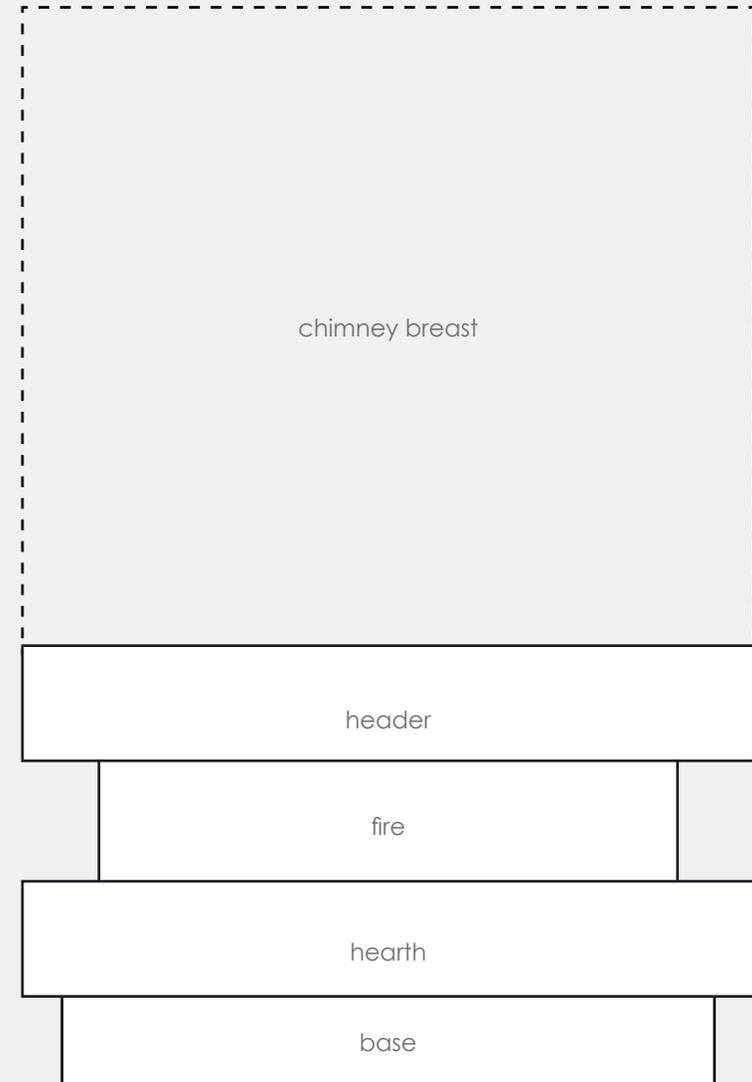

Need a TV cut out in your chimney breast? No problem, just advise us of the cut out size and its position.

DIY DECORATION

Suites can be supplied "simply" primer ready if you wish to paint or wallpaper yourself. Chimney Breasts are only available in a primed finish, come flat packed and certain fixing holes will require filling after installation.

the solution warranty

All solution fires come with a standard 1 year parts warranty extendable to 2 years on registration. Any fire purchased outside of our authorised dealer network will carry a 1 year non-extendable warranty.

To activate your extended warranty, please register your fire online at www.solutionfires.co.uk/warranty within one month of the purchase date. Any fires registered after this period will carry a 1 year non-extendable warranty. Please visit our website for full terms and conditions and to upgrade to our 5 year platinum warranty.

where to buy

The solution fires range is distributed via our authorised dealer network. These independent retailers are able to give you advice on all aspects of your fireplace requirements from quotations to technical and installation services.

For details of your nearest solution fires retailer, please visit our website at www.solutionfires.co.uk

Solution Fires is a division of **Capital Fireplaces Ltd**
